

# Welcome!

Greetings to all Yuba City Charter School parents and students. I hope you are all doing well and practicing social distancing during this time.

During the time that school is closed, parents will find counseling related information on our school website in the Counseling Resources tab. You will find information for all student grade levels from K-12 that will support your child regarding their social-emotional development, college information, AP testing, college and career exploration, and ways you can support your child at home.

**For students**, I have created a Google Classroom that will provide you more resources for you regarding your social-emotional, career, and academic needs. Please email me at [c.thao@yubacitycharterschool.com](mailto:c.thao@yubacitycharterschool.com) to get the class code if you have not received it already. I have already emailed and invited all students to join.
