

Greetings from the freezing foothills

This is the you tube video link for 1st /2nd/3rd graders to watch for the time being they will be learning from home. https://www.youtube.com/watch?v=qF_0UxTjEQI

Music with Lindsey.Unit 1: lesson 1/2/3/4.

This lessons embrace several aspects of the basics in music, and I think will keep our students connected very well with what they know and more.

I may send in two weeks more if needed.
