

Hello Class and Parents,

As we make efforts here at YCCS to make sure you all continue to learn during the school closure I have put together work for you all to make sure you continue practicing your Spanish skills. I will be collecting work done at the end of each week, you can turn them in via e-mail or text message; by either typing it if you can, or taking a picture of it and sending it to my email or cell phone provided. Your work will be a combination of Activities, Spanish IXL (you can use a laptop, or download it to a cellphone, ipad, tablet, etc.), and a fun Spanish Speaking Country Celebration Research Project. Remember to just do your best and USE YOUR VOCABULARY! 😊 If you have any questions or need help, I am available to help you by either texting, calling or email. Below you will find various ways you and/or your parents to contact me. Remember to take care of yourselves and those around you, I will see you all soon, and we will stay in contact. 😊

Thank you,

Ms. Heredia 😊
