

MR. COATS' CLASSES

WEEK 2 ASSIGNMENTS (March 23-27)

Thank you to everyone who has been working to get their assignments completed and turned in on time. Many of you with limited access to computers have chosen to photograph their work and email the photos at the end of the week. That is fine. I'm enjoying reading your writing prompts and video/reading responses, as well as your "3 facts" entries.

As we enter into our second week of "distance learning," the class outlines will remain the same, but the assignments will change, Especially for Social Studies/Constitution. Keep up the great work.
