

Immigration Enforcement Policy (AB 49)

School staff shall work with Immigration Enforcement officers pursuant to state and federal laws. School staff shall release records to Immigration Enforcement per state and federal law. The school does not collect or keep records of immigration status. Immigration Officers will not be let into non-public areas of campus or be given access to student/family information without a valid judicial warrant, subpoena, or court order. Parents and staff will be notified via our mass telephone notification system of any immigration enforcement on the school campus once it is safe to do so.
